What's Happening this Month

Adult Learning Program

Our Adult Learning Program allows learners to develop skills in reading, writing, and math for work and home. Lessons are based on hands-on work and real-life examples, and classroom topics might include:

- Essential Math: Numbers and operations, using a calculator, money management, and measurement.
- Communications: Word-attack skills, spelling, reading, and writing.

Current class times:

ALP 1 & 2: Monday to Friday, 8:30-12:00

ALP 2 & PreGED/GED: Monday to Thursday, 12:30-3:30

GED Preparation

Learn the information required to write your GED. Classroom instruction focuses mainly on math and essay writing to help you prepare for your GED and build your confidence to succeed. Books are included at no cost.

Classes are currently held **Wednesday evenings** from 6:00-8:00.

Call 902-543-2479, ext. 29 to register.
